

CM-42 & CM-48 Series Mounting Posts

Mounting posts are available in 42" (36" switch height) and 48" (42" switch height) models in extruded aluminum or stainless steel. They feature heavy-duty, 1/8" thick metal construction. Stainless steel posts are brush-finished. Aluminum posts are available in clear aluminum (CLR), dark bronze (BRZ), black (BLK), and mill (MIL) finishes which are suitable for painting. They have a flame and vandal-resistant cap, heavy-duty steel surface mounting base, and stainless steel fasteners.
