CM-PT250SS-18

CUSTOM LENGTH PROGRAM

The Power Transfer Cables can be ordered in custom lengths in inches. The models will be preceded by "CC" instead of "CM". Each power transfer cable category has a base number, followed by XX in inches. Pricing is based on a base price, plus a price per inch.

For Example:

CC-PT375SS-14 is a custom stainless steel power transfer cable, sized 3/8" inside diameter x 14" long

Contact factory for custom pricing.

MODELS	
CC-PT250SS-XX	Stainless Steel power transfer cable, 1/4" inside diameter
CC-PT375SS-XX	Stainless Steel power transfer cable, 3/8" inside diameter
