CAMDEN'S STRIKE MARKING TEMPLATES MAKE INSTALLATION A BREEZE

Strike marking template kit, CX-STR-TMPKIT, includes a set of 5 heavy-duty metal templates for Camden's entire range of strikes. They are conveniently packaged in a branded zipper pouch, complete with a screwdriver and marking pencil.

Note: Electric strikes available in all-black finish (BHMA 622, US19) with the exception of the CX-ED1379.

ONLINE ELECTRIC STRIKE SELECTION TOOL

Visit our website, to use our online Electric Strike Selection tool. Simply select the features you need, and the Electric Strike Selection Tool will automatically scan our entire collection and present the strike that best suits your requirements – along with the specs and literature you need to get the job done.
